

GT12 Race Meeting at MB Models

Sunday 30th April 2017

The aim is to have a friendly, leisurely yet competitive meeting offering drivers the opportunity to practice their driving skills on a large purpose built 'national' track and giving them the chance to try different car set-ups without the time constraints on a normal club meeting.

The venue will open at 8.50 am and close at 5.00 pm and whilst the shop will not be open all day, there will be the facility available during the day (timing to be arranged).

The venue provides a dedicated pitting area with tables, chairs and power sockets. Refreshments will not however be provided though a short lunch break will enable people to obtain sustenance from nearby food outlets.

Timetable working on the basis of 6 minute heats/finals with 5 heats per round, 6 rounds of qualifying and 1 final:

Open track till 9.45, followed by drivers briefing with racing to commence at 10.00
